NABCOP 2019 Annual Report published!

Supplementary materials including results and templates for individual NHS organisation results are available to [download](#)

2

Provide feedback in the run up to the 2020 Annual Report

[Contact us](#) with your feedback on the 2019 Annual Report, so we can consider this when drafting the 2020 Annual Report

3

English trusts - check your COSD data returns

Use our [CancerStats guide to check your 2018 COSD data returns](#), to be reported on in 2020

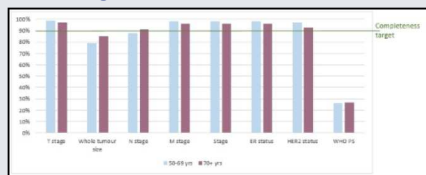

KEY 2019 DATES

Nov 30: Cut off for 2018 COSD data uploads; this data will be used in the 2020 Annual Report

Dec 20: Cut off for feedback to the NABCOP team on the 2019 Annual Report, for consideration when drafting the 2020 Annual Report

2019 NHS organisation data viewer:

Please review your organisation's results

Does the information shown in the NABCOP data viewer accurately reflect what happens in your trust / LHB?

NABCOP 2019 Annual Report supplementary materials

The 2019 Annual Report describes the process and outcomes of care for women diagnosed with breast cancer between 1 January 2014 and 31 December 2017 in England and Wales.

Supplementary materials including results and templates for individual NHS organisations are available at: www.nabcop.org.uk/resources/

Check your COSD data returns for 2018, to be reported on in 2020

Visit the NABCOP area of the [CancerStats](#) reporting portal. CancerStats is the repository for all feedback on those national datasets for England, which are managed or supported by the National Cancer Registration and Analysis Service (NCRAS).
