First NAoPri Quarterly Report published

The first NAoPri Quarterly Report was published on 10th April 2024 and includes:

- Two data completeness indicators showing performance over the last three years for people with primary breast cancer diagnosed in English NHS trusts.

- Patient characteristics data giving an overview of the age, ethnic-group, route-to-diagnosis and co-morbidities for people with primary breast cancer diagnosed in English NHS trusts.

You can access the Quarterly Report here.

NAoPri presence at the ABS Conference 13-14th May, Bournemouth

Join us at the ABS Conference, Bournemouth International Centre on 13-14th May 2024. Listen to our clinical leads Prof. Kieran Horgan and Dr Mark Verrill present an update on audit activities including data from our first Quarterly Report.
- NAoPri update (15:30)
- National Audit of Metastatic Breast Cancer (NAoMe) update (15:40)

Meet the team and find out more in the Exhibition Hall, stand 27, throughout the event.

How to improve your data for the NAoPri

How do I check the completeness of my cancer data submissions to the National Disease Registration Service (NDRS)?

The key Cancer Outcomes Services Dataset (COSD) items used for the NAoPri are listed here. Your local Data Improvement Lead at NDRS will be able to help you find information about your COSD submissions. Regional contacts for NDRS are listed under FAQ #11 which you can access here.
